Fellow Angus Breeders,

Welcome to the 2024 Fall edition of the East Central Missouri Angus Association Sale. The East Central Missouri Angus Association has become one of the leading associations not only in Missouri, but across the Midwest. This Fall we have a great offering of Angus genetics being offered from some of Missouri's finest Angus breeders. These consignors have dug deep into their respective herds to sell one of the highest quality sets of cattle to be offered at any consignment sale in recent history.

The herds represented in this sale are offering a great set of Bulls, Fall and Spring Pairs, Bred Cows, Bred Heifers, Elite Embryos, and Show Heifer Prospects. Whether you're looking for a calving ease bull or a high-performance female, this sale has something that could help enhance your herd. There is an opportunity for all breeders in this offering!

Please plan to join us on Saturday, October 12th at 12:00pm for the Fall Sale. We look forward to seeing you! If you have any questions about the offering, feel free to contact Jordan Hunter or any of the consignors listed in the sale book.
