JUNIOR DISCOUNT

All juniors are eligible to receive a 5% discount on one female purchased in the sale.

SALE TERMS AND CONDITIONS

All cattle sell guaranteed under the Terms and Conditions of the American Angus Association. All cattle must be paid for on sale day, prior to their release, unless prior arrangements with the consignor have been made.

HERD HEALTH

Proper health certificates will accompany each animal for interstate transportation. All breeding age bulls will have passed a breeding soundness exam and will either be a virgin bull or tested negative for Trichomoniasis. All bulls are virgin bulls, unless otherwise noted. All bred females are pregnancy checked and guaranteed pregnant.

SUPPLEMENTAL INFORMATION

An update sheet will be available sale day with any updates that may not have been listed in the sale book. Any announcements made from the auction block will take precedence over any printed material in the sale book.

ONLINE BIDDING

Bulls that meet the Show-Me-Select criteria have the Show-Me-Select logo on their pedigree in this sale book.

The Targeting the Brand™ logo is designed to highlight registered Angus bulls with greater genetic potential to produce calves meeting the most challenging specifications of the Certified Angus Beef® brand. Bulls must meet genetic requirements of +0.65 Marbling EPD and +55 \$ Grid of non-parent Angus sires to qualify for use of the Targeting the Brand™ logo.

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusLink®, CAB®, Pathfinder®.

- Consigned by Wiles Ridge Ranch
- AI bred to SEO Hot Lava J105 3055 12/05/24 AAA# 20626243 pasture exposed to SEO Yellowstone 2082 AAA# 20391736.
- SEO Yellowstone 2082 is the only bull in the breed with his combination of CED (+10), YW (+144), CLAW (+0.38), ANGLE (0.30), TEAT (0.71), UDDER (0.77), MARB (1.73).
- This is a powerful, great milking Payweight daughter. She has been a very productive cow for us. She has had 6 calves at a 369 day calving interval, with a 61 lb average birth weight. Her dam is from the great Erianna cow family, and was a prior donor for Wall Street Cattle Company. She has an excellent combination of EPDs, and has a wonderful disposition. This is a great cow to get some heifers from to build your cow herd.
- Ranks in the top 4% for CEM; top 10% for \$B and \$G; top 15% for FAT, MARB and \$C; top 20% for \$F, DOC, RE and RADG.
- Dam's Production: BWR 3-101, WWR 1-99.
- Production: BWR 6-97, WWR 6-94, YWR 2-99.

- **AI bred to 44 Boxed Beef 1164 06/05/25, AAA# 20230195 pasture exposed to HR Powerball 2559, AAA# 20325077. HR Powerball 2559 is the only current sire in the breed with his combination of CED (+8), WW (+104), YW (+186), RADG (+0.40).**
- This is a very phenotypically correct Cavalry daughter. You will like her balance and thickness. Cavalry daughters have been very popular at sales across the country and are hard to come by. Paternal brothers include EZAR Gettysburg 1061, Wilks Regiment 9035, PAR Ares 0615, and Wilks 8'72. If you are looking for cattle with more bone and muscle pattern without sacrificing calving ease Cavalry will meet your needs. This heifer's dam has had 4 calves with an average birthweight of 60 lbs. With a genomic profile of 11 for calving ease, this heifer should raise some solid bulls with good calving ease.
- Ranks in the top 3% for YH; top 10% for \$F; top 15% for CEM; top 20% for CW; top 25% for \$B and YW.
- Dam's Production: BWR 4-94, WWR 4-91, YWR 3-93.

- **AI bred to Peak Draft Pick 06/05/25, AAA# 20513315 pasture exposed to HR Powerball 2559, AAA# 20325077. HR Powerball 2559 is the only current sire in the breed with his combination of CED (+8), WW (+104), YW (+186), RADG (+0.40).**
- This is a super feminine structurally sound Prime Time daughter. She is extremely slick haired and very docile. Prime Time is the number one marbling sire in the current sire list that has actual carcass data on his calves. Her dam is a very productive cow. Her dam had her first calf at two and her first three calves on time every year. We think this heifer will make a very productive cow. Note she is a daughter of the once #1 \$C bull in the breed bred to the current #1 \$C bull in the breed.
- Ranks in the top 2% for RE; top 5% for FAT; top 10% for \$G, MILK and YH; top 15% for DOC; top 20% for \$B and MARB; top 25% for \$W, SC and \$C.

- Take a look here! This daughter of Wilks Regiment carries the CAB logo and milk epd in the top 15%. She stands on good feet and is sound structured. This heifer is the natural daughter of our prominent donor TWOF My Justice 8908 who has an excellent udder and is a great mother. This is a heifer you will want to retain calves out of.
- Ranks in the top 10% for \$W and FAT; top 15% for MILK and Angle; top 25% for SC.
- Dam's Production: BWR 4-100, WWR 2-107, YWR 1-113.

- Here is a show heifer prospect sired by the breed popular Hill Valley Reckoning. This female is easy to look at with an elegant front end, soggy middled, and plenty of muscle shape to go right along. She stands on great feet and is very sound structured with her claw and angle in the top 1% and 15%. She is halter broke and ready to show. We exhibited her dam TWOF My Justice 8908 and were very successful. She has become one of our top donors.
- Ranks in the top 2% for Claw; top 10% for SC; top 15% for Angle; top 20% for CED; top 25% for \$M.
- Dam's Production: BWR 4-100, WWR 2-107, YWR 1-113.

Fellow Angus Breeders,

Welcome to the 2025 Fall edition of the East Central Missouri Angus Association Sale. The East Central Missouri Angus Association has become one of the leading associations not only in Missouri, but across the Midwest. This Fall we have a great offering of Angus genetics being offered from some of Missouri's finest Angus breeders. These consignors have dug deep into their respective herds to sell one of the highest quality sets of cattle to be offered at any consignment sale in recent history.

The herds represented in this sale are offering a great set of Bulls, Fall and Spring Pairs, Bred Cows, Bred Heifers, Elite Embryos, and open heifers. Whether you're looking for a calving ease bull or a high-performance female, this sale has something that could help enhance your herd. There is an opportunity for all breeders in this offering!

Please plan to join us on Saturday, October 11th at 12:00pm for the Fall Sale. We look forward to seeing you! If you have any questions about the offering, feel free to contact Jordan Hunter or any of the consignors listed in the catalog.

MAKE YOUR CATTLE **STAND OUT**

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating your cattle with AngusLinkSM programs: AngusVerifiedSM and the Genetic Merit ScorecardSM. AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day. The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

Users of the AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.
